

# Water Distribution Technician Operator

Sudbury Water District (SWD) is looking for one full-time, experienced Water Distribution Operator. This search is for candidate with a proven record of performance looking for advanced placement. The position is part of the field operations crew and report directly to the Foreman (daily) and the Operations Manager as required. Minimum qualifications strictly apply.

## About Sudbury Water District:

SWD is a progressive public utility, serving about 18,000 residents in the Town of Sudbury, Massachusetts. Our goal is to provide quality drinking water and customer service through sustainable business practices. Accordingly, we are in need of finding an experienced, highly motivated individual to add to our team.

## Desired Qualifications:

- 5-7 years of positive performance in the municipal drinking water industry
- Preference given to candidates with construction and plumbing experience or other relevant specialized skill
- Computer experience, working with iPads for data collection.

## Essential Functions:

- Serve as an experienced Distribution Technician
- Significant knowledge of the operation and maintenance of distribution system equipment
- Perform scheduled and emergency repair of pipes, valves and hydrants
- Operate heavy equipment (e.g. lawnmower tractor, backhoe, forklift, dump truck)
- Apply critical thinking skills and serve as part of a high-functioning team
- Model superior internal and external customer service
- Work outside in poor weather conditions and serve after-hours on-call or in emergency situations; perform manual labor duties, including lifting 50 pounds

## Minimum Qualifications:

- Possess a Massachusetts Drinking Water Distribution 1 Certification (D-1), or able to obtain within 1 year of hire.
- Possess a Massachusetts Drinking Water Treatment 1 Certification (T-1), or able to obtain within 1 year of hire.
- Possess a valid Massachusetts Driver's license and clean driving record (commercial driver's license preferred)
- Possess a valid Massachusetts Hoisting license
- Must also successfully pass a drug/alcohol screening and background check
- Must be available for call outs, evenings, holidays, and weekend work
- Must live within 30 minutes of the Sudbury Water District office

- Valid Massachusetts driver license and good driving record required

**Compensation and Benefits:**

Hourly wage: \$27 -\$34. The SWD offers a competitive benefits package, including medical, and dental coverage, 11 paid holidays, and participation in the Massachusetts Public Employees Retirement System.

**To Apply:**

Send your cover letter and resume to: [customerservice@sudburywater.com](mailto:customerservice@sudburywater.com) or by USPS to:
