***Meter Assembly:** The owner of commercial, industrial, and apartment properties are solely responsible for the purchase, installation, testing, repair and or replacement of their [Neptune MACH 10 ULTRASONIC Water Meter](#) measuring in US gallons. The property owner will retain ownership of the meter, which will be regulated by AWWA Water Meter Standards together with Sudbury Water District General Regulations. If the property owner does not maintain the meter in accordance with AWWA STANDARDS and this policy, Sudbury Water District will contract an independent certified meter tester to test, repair, and or replace said meter. The property owner will
