Sudbury Water District is an independent municipal entity established by an Act of the Massachusetts Legislature in 1934. It is separate and distinct from the Town of Sudbury and is not affiliated with the Town of Sudbury's Department of Public Works.

Any person or entity seeking to perform work involving the District's public drinking water distribution system including but not limited to water main or water service construction, installation, excavation, repair, relocation or disconnection on both public and private ways or parcels must hold or acquire a valid Water Contractor License issued by the Sudbury Water District. All Water Contractor Licenses shall be deemed valid from the date of issuance to the end of the calendar year, expiring on December 31.
