#### Description

**Water Contractor's License**

*The undersigned requests consideration for the approval of a Water Contractor's License for water utility work relating to the Sudbury Water District public drinking water system. Water utility work includes but is not limited to domestic and fire trench excavation, installation of water main or service pipe, service pipe installation, repair, alteration, or disconnection to the Sudbury Water District public drinking water system. Work shall be in compliance with the General Regulations of the Sudbury Water District. The undersigned hereby agrees to take and use the water subject to current rules, rates, policies, and regulations as authorized by the Sudbury Water District and agrees to indemnify and hold harmless Sudbury Water District from any claims, losses, damages, expenses, or other liabilities that may arise in the course of the work performed.*
