Pursuant to the authority granted under M.G.L. Chapter 41, Section 69B, the Sudbury Water District Board of Water Commissioners has established rules and regulations governing the use, safety, integrity, development, operation, and protection of the public drinking water system. As a condition for the approval of a Water Contractor's License, the undersigned hereby agrees to comply with and be bound by these rules and regulations. The Sudbury Water District reserves the right to suspend or revoke the said license for just cause, including but not limited to operating with a suspended or expired Massachusetts Hoisting Engineer's License; engaging in unsafe or improper practices; submitting false or misleading information; failing to maintain the requisite liability insurance; or for wanton disregard of aforementioned system rules and regulations. Furthermore, the undersigned agrees to indemnify, defend, and hold harmless the Sudbury Water District, its officers, employees, and agents, from and against any and all claims, losses, damages, liabilities, expenses, or other costs that may arise in connection with the performance of the work.
